# **IMPORTANT NOTICE TO POLICYHOLDERS**

## **Employers' Liability Tracing Office (ELTO)**

Dear Policyholder

Financial Conduct Authority regulation requires us to publish details of all commercial employers' liability policies we enter into, renew or under which a claim is made, on or after 1 April 2011. NIG is a member of the Employers' Liability Tracing Office and details of all such policies are available on the tracing office's website, which can be found at [www.elto.org.uk](http://www.elto.org.uk).

We are also required to supply employers' liability insurance policy details to the Employers' Liability Tracing Office (ELTO). These details will be added onto the Employers' Liability Database (ELD) which will be managed by ELTO. This database will be accessible by any claimants and will assist claimants who have suffered an employment related injury or disease arising out of their course of employment in the UK, to find the insurer that was providing employers' liability cover during their relevant period of employment and also to find the relevant employers' liability insurance policies.
